Are you into anime? Every Friday afternoon, you can come to the library and enjoy a free showing of some Japanese-themed cartoons at 2:30 pm. Following each showing, feel free to stay and discuss what you have watched. Over the course of the summer, the library will be showing episodes of Sgt Frog. Register quickly because space is limited!

Program Helpers

It's not easy being green, but in order to celebrate Earth Day, the library is offering a wonderful program using recycled materials. Come and help out with a craft program the library is presenting for children on Monday, April 18 at 10:30 am. Children will bring in a glass jar of their choice, like a pasta sauce jar, and the library will provide the rest of the materials to make the animal of it. They need your help to make them just right! If you like working with children, this is a great opportunity for you to fill those community service requirements.

Easter Egg House

If you are looking for a place to store your seasonal candy, this is the program for you. We will be building small holiday-themed candy holders in a program that starts at 3:00 pm on Wednesday, April 13. The library will provide all of the building materials (and even the candy to fill it up!), and you won't have to worry about the Big Bad Wolf coming along to blow this house down.

Apples to Apples

This fun twist on the match game will give you an opportunity to be creative and share some laughter. Join the party in the library at 3:00 pm on Monday, April 25. All tweens and teens are welcome.

Tabletop Wishing Well

With the warm weather coming, it is time to celebrate Spring! The library is offering a craft program as an opportunity to do just that. Drop in on Wednesday, April 27 to construct a well that will help make all of your wishes come true. It will make a perfect gift or seasonal decoration.
