**It's Not What You are Eating!
 It's What's Eating You!**

This program is designed to address the most overlooked aspect of effective and permanent weight management. Whether you are overweight or underweight there is often an underlying emotional component that will never be addressed no matter how diligently you exercise, count your calories, or adhere to any diet plan. Already on a diet/exercise program? EFT enhances the effectiveness of any program you may already be on. You can hear Speaker Valerie English address this topic on Thursday, August 28 from 6:45 pm to 8:00 pm. Registration is required. Please call 949-3630 ext. 1 to register.
