## Baker AfterSchool Center

Need a place to go any afternoon after school? Everyone in grade 6-12 is welcome. The hours are from 2:00-5:30 on Mon-Thurs and 2:00-5:00 on Fri. It is located on the lower level in the Baker Room. There you will find computers, tables to use for homework or group projects and a librarian to assist you. No sign up is needed! We have 30 minutes of quiet homework time before gaming or special programs start, Mon-Thurs. Check our Facebook page for daily updates.

## The Middles-Every First Thursday

“Craft a Gift” December 1<sup>st</sup> 6:00-7:00

For anyone 9-12, sign up is online.

Meet once a month with friends your age for a different

activity and always a snack!

## Gaming in the Baker Room

Some of our regulars in the Baker AfterSchool Center have been playing ROBLOX after their

homework is finished. What is it? From ROBLOX.com, “ROBLOX is an online virtual playground and workshop — where kids of all ages can safely interact, create, have fun, and learn.” Choose an avatar, interact by chatting, playing games or creating projects. Stop by and join them. Of course they also play Minecraft on Fridays on our own server. We have created both a survival world and a creative world to play in and spend time in both. Any questions, just ask Rhonda at [youryalibrarian@yahoo.com](mailto:youryalibrarian@yahoo.com) No sign up necessary!

**Don't forget about the GAMES in the Young Adult Area. Check them out like a book!**
