Summer Reading Program~2016

"Get in the Game" is the theme this year.

Registration will start on June 27th for anyone going into grade 6-12! Check the website and our Facebook page for updates. The program runs until August 10th. There will be weekly prizes, incentive coupons, and special programs. Choice of grand prizes

will include a Kindle Fire, Minecraft Basket, Activity Basket and a Game Basket. A brochure with all of the programs will be available on our website and in the library.

Stop by the Young Adult Section all

summer for weekly DIY crafts and/or activities.

For every activity there is a random prize drawing at the end of the week!

Visit our **NEW**
GAME section.
Board games

can be checked out for a week. **DONATIONS** of new games will be happily accepted!!!

Registration for summer programming starts **June 1st**. Sign up online for all programs except for **Book Buddies** and **Safe Sitter**.

Thursday, June 30th 2:30-4:00

Bring out the inner artist with a hosted library paint party! RISD alum Jennifer Rolfsema will be guiding the class from start-to-finish to create an acrylic painting on the summer theme.

Tuesdays July 12th-August 9th 10:30-11:30

Book Buddies is a great way to earn community service hours during the summer by reading with and to children.

Register in person at the Welcome Desk.

Thursday, July 14th 9:00-4:00 All Day

Safe Sitter Program Essential skills are taught by registered nurses for boys and girls ages 11 to 14. Registration must be done in the library.

There is a \$50 fee for the program, which includes all materials.

Register in person at the Welcome Desk!

Wednesday, July 20th 3:30-4:30

Big Games at the Library hosted by Miss Babs and Miss Rhonda. Anyone aged 8-14 may register online. It will be held in the front yard.

Thursday, July 21st 4:00-5:30

Minecraft Modding: Game On! In this workshop, teens learn how to "mod" or change the Minecraft world with code! This workshop introduces coding concepts by showing students how to build in the game using the Python programming language on the Raspberry Pi.

Gaming Wednesdays start June 29th 2:00-4:00

Sign up to play Minecraft, Roblox, Slither, Agario and/or Board Games. Bring your friends or meet new ones.

Additional programs for the summer are being considered, check our Facebook page for updates.
